

GM Presents

Thursday 28th June - Sunday 1st July 2018 at the Stroud Subscription Rooms
Tickets available from www.subscriptionrooms.org.uk/ or 01453 760900

Dear GM member,

Our very first GM Presents is nearly upon us. I hope you find the following information useful.

Some bits of good news.

- All tickets priced at £3.50 (free under 14) to encourage better audiences.
- Sponsorship from local businesses and charities has been secured.
- Better marketing and publicity for all groups as we are sharing the same venue and running our concerts concurrently.
- Percussion, music stands and stage management support will be provided.

Bits of bad news....

- There is no parking close by so please plan ahead.
- Beware the multi-story carpark by Waitrose as this can close over night and lock in cars.
- Please ensure pianists, drummers, and guitarists note that the following equipment will be provided: drum kit, guitar amp, bass amp, keyboard amp and keyboard.

What will be provided?

We can accommodate special / personal cymbals and side drums but please resist from bringing your own amps, keyboards and drum kits. If you think this will be an issue please contact me directly (rather than your group leader). Additional amps (for multiple players in one group is permitted but please ensure there are PAT tested.

Safeguarding and licensing

GM has a good working relationship with the GCC Safeguarding and Licensing teams. We have been advised to ensure all students (of compulsory school age) are chaperoned and leave the premises with an appropriate adult. If you (the parent / guardian) are planning to allow your child(ren) to make their own way to or from the concert, please let us know in advance.

When, where & what time

Can we listen too?

We have reserved enough seats to allow members to stay and listen to other groups. Younger performers will be able to sit with parents if they wish whilst they are not performing.

Concert attire

Please arrive in concert attire, as there is no room for changing.

Stage area

All performances will take place on floor level. Some small combos may be able to fit onto the stage but please remain flexible on the day itself.
